

How to find **Abbots Lodge**, once you are in Wigmore.

If you enter Wigmore on the **A4110**, from either the North or the South, look for the crossroads where they are renovating the village Pub:

From the south, you will be turning left, or from the north you will be turning right up "Castle Street".

If you have come over the hill on the back lane from Ludlow, you will be going straight across this crossroads.

The turning up 'Castle Street' looks like the photo above (the yellow sign reads "No Vehicular Access to Castle"):

Drive up Castle Street approximately 100 metres, until you see a fork in the road (photo above):

Take the right hand fork, and follow this track approximately another 100 metres, continuing up the steep bank (see over)

Follow the track past the timber framed cottage as shown above.

Abbots Lodge is on the left hand side as you get towards the top of the bank. Turn into the driveway (on your left hand side) through the gate (see below):

and park on the left hand side once you are through the gate (see below):
